

## Negotiation Skills

**Course #:** PD-112      **Duration:** 1 day

### Prerequisites

None

### Details

This immersive, one-day course is designed to equip professionals with the skills and strategies required for effective negotiation in various business contexts. Through exploration of the three-stage negotiation process, this course will help participants recognize their negotiation strengths and weaknesses, understand their BATNA, WATNA, WAP, and ZOPA, develop a negotiation framework, handle challenging negotiation scenarios, and apply these skills in different environments, including remote settings. Additionally, the course will cover strategies for negotiating on behalf of others, providing comprehensive preparation for a wide range of business negotiations.

### Software Needed

None
